**Trail to Zero
Ride to End Veteran Suicide**

Dear Friends,

Please consider this letter a glowing endorsement of all you do for veterans. The Trail to Zero is an inspiring effort to highlight the sad reality of veteran's suicide. One such death is one too many.

Here at the City of Belvidere we respect, admire, and support the efforts of the BraveHearts organization. To that end, we are proclaiming September 28 as Trail To Zero Day in the City of Belvidere, to coincide with the Chicago ride.

We ride with you in spirit.

Godspeed,

**Mayor Mike Chamberlain
City of Belvidere**
